

## Expanded Use Of Electric Power Is Reviewed To Club

A review of the expanded business activities in South Alabama as result of the Alabama Electric Cooperative was reviewed to the Elba Rotary Club Tuesday, this week, by John Hill, of Andalusia.

"Business goes where a power line goes," Mr. Hill said in opening, and proceeded to outline that the Alabama Electric Cooperative supplies power to six municipalities including Elba, and 17 rural distribution systems.

When the system started in 1945, he said, it produced 1.9 million KWH and last year produced almost 10 million KWH. The system has an investment of 16 million dollars of which \$150,000 is in the city of Elba. A housing project in Brantley, and another in Brundidge, are entirely heated and cooled by electricity, with power supplied from the system. Luvorne Slacks Co. is completely heated and cooled by electricity.

The company is now engaged in a \$7,500,000 expansion program of which the major part is being spent on the McWilliams plant at Gantt. The plant was built in 1954 and by 1959 had been more than doubled in output, with nine million dollars now invested in that plant.

Mr. Hill said that the peak hours of use of electricity is between 11 a.m. and 12 o'clock noon, and again between 5 and 7 p.m.

The Alabama Electric Cooperative was established with funds borrowed from REA, he said, which is being repaid annually with interest. The cooperative pays all taxes paid by any other business firm except income taxes because it has no profits, being organized on a cooperative has repaid over \$3,200,000 on the loan.

## Tillman's Dogs Help In Catching Prisoner

Sheriff H. E. Tillman's dogs trailed an escaped convict in Pike county Tuesday until his capture after he had overpowered the guard and escaped with his gun.

Sheriff Tillman was asked to join in the hunt with his dogs after James J. Washington of Birmingham, 34-year old white, once overpowered Guard G. L. Campbell, broke his leg, took his gun and fled away in a truck about 10:15 a.m. Tuesday.

Several hours later he was captured without resistance in a swamp about 10 miles from the point of escape, near Banks. The truck had been abandoned about a mile away. The escaped prisoner was still running in a circle when Sheriff Tillman's dogs led deputies to him.

## Cornelia Ellis Is Belle Candidate

Cornelia Ellis, daughter of Mrs. Ruby Folsom Austin, is a candidate for Belle of the Confederacy Contest, a selection as part of the Montgomery Civil War Centennial Commission observance Feb. 13-17, Monday through Friday.

Her aunt, Mrs. Thelma Clark, is selling tickets as part of the contest, through Saturday, this week.

## BILLY GRAHAM VISITS

Billy Graham will speak at Dock S. Campbell Stadium at Tallahassee, Saturday, Feb. 11, at 8:30 p.m., Alabama time. This is one of the rallies to be held in the larger Florida cities preliminary to Graham's Crusade in Miami Beach, Mar. 5-26. The noted evangelist is giving the first three months of this year to Florida.

## Young Wife Injured In Auto Collision On Victoria Road

An automobile passenger was slightly hurt Sunday, this week, at the Elba High School when a 1958 Buick Wildcat, driven by a 19-year-old woman, collided with a 1957 Buick Wildcat, driven by a 19-year-old man, on Victoria Road.

The accident occurred at 4:50 p.m. in the collision of two automobiles 10 miles north of Elba on the Elba-Victoria road. She was Mrs. Ray Hataway, 18, wife of the driver of a car involved in the accident, according to investigation of Highway Patrolman J. D. Wimbles.

An automobile driven by Hataway, 19, of Rt. 3, Elba, collided with a truck driven by James William Smith, 63, of Rt. 1, Jack. The truck was turning left off the highway into the driveway of Smith's home when it collided with the automobile of Hataway which came over the hill at that instant, traveling in the opposite direction, according to investigation of Highway Patrolman J. D. Wimbles.

Mrs. Hataway was taken to Edgewood hospital, Troy, for treatment for shock, cuts and bruises.

## Bey Hurt In Auto Wreck On Victoria Road Taken Home

James Ronald Williams, 20, son of Mr. and Mrs. B. J. Williams, of Route 4, Elba, was returned to his home last Sunday, Jan. 29, after more than a month in an unconscious or semi-conscious condition as result of an automobile wreck on Victoria highway the night of Dec. 14.

The boy was taken to Gibson hospital, Enterprise, where he lay two weeks unconscious from a head injury in the crash and gained semi-consciousness in the third week. He was then taken to Cobb-Moore hospital, Phenix City, where he gradually improved until he was considered sufficiently recovered to be taken home last Sunday. Visitors are permitted. Williams, salesman for an Enterprise automobile firm, had been to Victoria to see a prospect for sale of a car, and while there had visited a girl friend, leaving about 10 p.m. More than two hours later he was found in his wrecked automobile by a passing truck driver.

## MRS. SMITH HOME

Mrs. J. D. Smith returned to her home in Elba Tuesday, this week, after several days in Gibson hospital, for treatment for heart trouble.

## One-Point Victory Scored By Tigers Over Samson, 57-56

The Elba Tigers scored a one point victory over the invaders from Samson, 57-56 here Tuesday night, after a victory last week over Troy and a loss last week to Kinston.

The victory was rung up in the third quarter with Elba one point in the lead and in the fourth quarter both teams scored 19 points each in a contest marked by fouls until Samson had only four repuners left at the end of the game, and two Tigers were ruled out on fouls. The score stood 21-21 at the half.

Locklar added 21 points to his total, with 19 of them in the second half, followed by Ronnie Young with 14, Gary Hudson 11, Harold Hudson 5, Jimmy Tolley 4 and Max Layton 1. Terry Owens of Samson rang up 25 and Mickey Holley 17.

In the B game Coach Ed Comer's boys walked away with a 56-28 victory, Jan. 21.

Some of the good and some of the bad. That's been the story of the Elba Tiger basketball team this year. Coach Bill Strickland's boys ran away with a 74-33 decision over the strong Troy Trojans Tuesday night, last week, in Troy, then bowed to a Kinston team they were favored to beat on the home court Friday night, last week, to the tune of 62 to 50.

Troy never had a chance as the Tigers took a first quarter lead and never relinquished it. Harold Hudson was the man of the hour as he led the locals in rebounding and scored 22 points to lead the team in that category, also. He had lots of help from Johnny Locklar, who performed well on the boards and dumped in 21 points. As if this duo weren't enough for the Trojans, the backcourt specialists, Ronnie Young, Gary Hudson, Jimmy Holley, Jimmy Sanders, and Max Layton turned in sparkling performances.

The always dangerous Kinston Bulldogs of Coach Craig Purnell were a different story Friday night, as they threw up a strong zone defense and controlled the ball to win going away.

The locals led throughout much of the game, once by 10 points but the Bulldogs raced out in front to stay in the second half of action.

Tommy Whitehurst, a sharpshooting Bulldog guard, led his team's attack with 19 netpoints, but he had plenty of help from Earl Boland with 14, and Mullins, King, and Moody with 9 each. Johnny Locklar's 16 was high for the leaders. Ronnie Young with 12, Harold Hudson 10, Gary Hudson 6, Jimmy Holley 5 and Jimmy Sanders with 1, were next in line.

Meanwhile, Coach Ed Comer's hot Bee team continues to burn up the courts, taking wins over Troy and Kinston. The Bees have lost only two games this season.

## Junior Tigers Win Tournament At Opp

The Elba Junior Tigers won the Opp Invitational Junior Tournament last week with wins over North Brewton, Mt. Pleasant, Damascus and Opp, to run their winning streak to 12 straight under the coaching of George Grider.

The Elba Juniors have lost only one game so far this season, this being the first game, with Andalusia, Jimmy Enzor and Joe Spurlin were voted to membership on the all-tournament team.

To avoid a ring after using cleaning fluid, spread a layer of white talcum powder over the whole moist area. Allow to dry a half hour before brushing off. If the ring still remains, try steaming the area over a kettle of boiling water.

## Kinston High Teacher Sets Example For Son and Daughters at Capstone College

Left to right: Nelda, Murray and Myra Johns—

By Jeanette Hibbs  
University of Ala. News Bureau

One of the finest things a mother can do is set a good example for her children to follow.

An educational pattern set by an Elba mother, Mrs. Myra Johns Smith, who is Guidance and Counseling instructor at Kinston High School in Coffee County, is being followed today on the University of Alabama campus.

Her three younger children, Myra, Nelda and Murray Johns, are all enrolled and studying at the Capstone. An older son, Norman also attended the University.

Mother Sets Pattern

The mother set the pattern for summer session study by completing work for her Master's degree at the University in the summer of 1958. In the summer of 1959, she won a U. of A. scholarship for guidance study.

Myra, a bright and petite 20, with brown hair and hazel eyes, is a senior, enrolled in the school of Home Economics. "Five foot, two" and 108 pounds of energy, she plans to graduate in May.

Sue enrolled at the University the summer in 1959, so actually has just been three years on campus.

Awarded a tuition scholarship each year, on the basis of high school grades, she has all so worked to help pay for her room and board.

Works First Year

Her first year on campus she worked in the Union-Caterpillar, and was desk assistant in Harris Hall during her sophomore year.

She is not working this year in order to complete all her hours needed for graduation.

Among her outside activities are membership in Agnes El-Harris Harris Club, Women's Religious Hall Council, A.A.U.W., Baptist Student Union and the University Public Relations Council.

Somewhere in the 168 hour week she still finds time for sewing, playing the piano and dancing.

Plans June Wedding

Myra may wind up being her own private "Home Economist," as she is planning a June wedding to Jimmy Rhoades, a mechanical engineering senior at Georgia Tech.

She'd like, however, to serve as a Home Economic consultant in the Atlanta area, preferably in industry.

Nelda, the 19 year old, willowy, brownette, brown-eyed member of the family is five foot, seven inches in her stock, long feet, and weighs 115 pounds.

She is a junior in the School of Home Economics and enrolled at the University this summer in 1960.

Now working in Harris Hall, Nelda is a member of the Baptist Student Union, the University Public Relations Council, is a "Bama Belle," and was all-tournament for the Theta Xi "Sweetheart" title.

Like To Sing

Myra, Nelda and Murray, all love to sing, and did a lot of "singing out" in Elba. Along with the older brother, Norman, they had a quartet in high school. They explained that mostly they did pop tunes

## Old Button Game Is Decided With a Fine Set At \$125.

Thomas Crabtree got the button!

The button was in the form of a \$125 fine levied by Justice of the Peace, W. H. Haire, Friday, last week, on a charge of reckless driving against Crabtree, formerly of Perry's Store and recently of Pensacola.

It started after an automobile turning from Clavon St. into Atkinson St. last Friday night, Jan. 20, failed to make the turn and crashed into the home of the Rev. Durrell Lett, pastor of the Church of God, with such force that part of the stone wall was forced into the bathroom.

The automobile then sped away. It was trailed by city police and sheriff's deputies to Basin where it was found to be owned by Jimmy Barton of Rt. 2, Opp. Barton said he had sent the car to Crabtree, his brother-in-law, but Crabtree said it was driven by Bobby McKee, of Opp, his companion on the ride, according to officers.

Both were arrested and sent to trial before Justice Haire who decided that it was Crabtree so the parlor game of "Button! Button! Who's Got the Button?" was decided in favor of Crabtree.

## Banner Year Set In Construction Of County Roads

A glowing report of the county road program appeared this week in the February issue of "Mr. County Commissioner," the monthly journal of the Association of County Commissioners of Alabama.

"The year 1960 has been a banner year for road construction," wrote Winston Stewart, the Association's executive secretary, in his year-end review. "This tremendous progress can be attributed to the fine relationship between the Administration and the counties."

Separate Program

The county road program is separate from main-line highway construction, which is also so at an all-time high.

Mr. Stewart's report noted that rural roads were constructed under both the Farm to Market Program and also a Special Aid Program advanced by Gov. James Patterson and Highway Director Sam England.

"The Highway Department has put forth special effort to offer an agreement to each county in the state, giving the counties extra funds for road-building purposes," the article said.

The Special Aid Program was set up to help fulfill the needs of individual counties.

"The State Highway Department made it possible for the counties to construct projects under the Special Aid Agreement by actual contract or by negotiated contract whereby the counties could use their own forces," Mr. Stewart reported.

"This action was a great boost to those counties who did not have funds."

Project Investments

He went on to compliment counties for protecting their road investments by putting on excellent maintenance programs with State Highway Department cooperation. The article also praised centerline striping as "a forward step and very important as a safety measure."

RUNS OFF ROAD

Leavy Ray Mount, of Rt. 3, Brantley, was driving an automobile that ran off the County Road 21, three miles north of Elba, Saturday, last week, at 4:00 p.m. with slight damage to the car, according to Highway Patrolman J. D. Wimbles. No one was hurt.

## His Old Tricks . . .

Nikita Khrushchev is up to his old tricks in the release of two American fliers shot down off the Russian Coast.

He's trying now to woo a new American President and lead him into a trap as he did Eisenhower.

Khrushchev, it will be remembered, made a big play of wooing American friendship, made a tour of America, invited Eisenhower to pay a return visit to Russia, and made a grandstand play before the world of staging a summit conference in Paris to discuss disarmament.

Then he sprang the trap.

With heads of governments in America, England, and France gathered to talk disarmament with Khrushchev, he seized upon an incident to blame Eisenhower for wrecking the conference. The fact that it was the American U-2 flying over Russia is only incidental. If it hadn't been that, it would have been something else. Any incident would have done to give Khrushchev an excuse to grandstand before the world and point to Americans as warmongers. Of course, the accusation was ridiculous in the sight of Americans but not so with millions of Asians and Africans and they were the peoples Khrushchev wanted to influence.

And he did.

It will be interesting to see if the new American president seizes the bait and swallows it hook, line and sinker as did Eisenhower.

## Badly Needed Legislation . . .

A move has been started in Dothan to ask the next session of the Alabama legislature to adopt appropriate legislation to enable a city manager to carry out his duties effectively.

The outgoing Dothan city manager said he was hindered by lack of authority sufficient to enable him to perform his duties.

Such action by the legislature would mark one of the most progressive steps in recent history of our state.

With over 500 cities in America under city manager government, and with other cities turning to the city manager system each year, it is appropriate that the Alabama legislature adopt legislation to enable the plan to function effectively in those cities that want it.

22 YEARS AGO—

## From Our Early Files . . .

The Coffee County Agricultural Conservation Committee for 1940 was organized at the Enterprise Courthouse when delegates of each community met and elected the following committee for the county:

Chairman, John R. Clark, Kinston; Vice Chairman, Matthew McCollough, Rt. 1, Elba; Member, Tip Kelley, of Jick; First alternate, Leamon H. Wise, Kinston; Second alternate, Earl J. Dwyer, Elba.

Committee members for the individual communities were also elected at meetings in the communities.

Young W. Rainer, prominent Elban and businessman, died at his home on Davis Street. He had been ill for several months. Mr. Rainer, 77 years of age, was born and reared in Pike county, moving to Elba in early married life. He was an organizer of the Elba Bank and Trust Company, and was active in other civic and business affairs.

Surviving are his wife and two sons, Mr. Lamar Rainer of Elba and Mr. Frank Rainer of Georgia; three sisters, Mrs. J. R. Brown of Gatesville, Tex., Mrs. A. Black and Mrs. Lula Stevenson of Brantley.

The Alabama Public Service Commission ordered the dissolution of the South Alabama Power Authority, recording to announcement by Hugh White, commission head.

The authority, only a month old, proposed to buy South Alabama electric facilities of the Alabama Water Service Company by securing \$2 million in bonds. Delegations from Troy, Evergreen, Luverne, Dozier, Samson, Banks, Brundidge and several other South Alabama towns proposed the sale.

Dr. Garland Weidener arrived in Coffee county to assume his duties as County Health Officer. Dr. Weidener was formerly employed in Louisville, Ky., and Detroit, Mich.

Elba High School's new basketball team, in its first season of play, announced its schedule. All home games were scheduled for the Damascus High School building due to lack of facilities at the local school.

Miss Emma Margaret Cooper, Miss June English, Bancroft Cooper, and Willard Martin attended the Blue-Gray football game in Montgomery.

Mrs. Charles Dozier of Calvary community was elected president of the Coffee County Council of Women's Home Demonstration Clubs at a meeting held in Elba.

Members of the staff included: vice president, Mrs. J. E. Pittman, Keyline; secretary treasurer, Mrs. J. C. Paul, of Double Heads; Reporter, Mrs. Joe Saunders, Zion Chapel; Parliamentarian, Mrs. Dewey Hattaway, Kinston.

Mrs. Charles Picard of Geneva, Neb., visited her sister Mrs. C. B. McDowell, in Elba.

4-H NEWS  
Round-up

BY TOM CASADAY • ASSISTANT COUNTY AGENT

The 4-H club girls of Coffee County who have completed project work for 1960 were awarded certificates at the January meetings. Each member is required to carry at least one project and keep records of what they have done on the project. They learn to work and to be responsible for what they have undertaken.

In December the 4-Hers turn their records into the home agent's file to be reviewed and evaluated. The members who have completed project work in Food Preservation, Canning, Frozen Foods, Clothing, Home Management, Home Beautification, Room Improvement, Health, Child Care, and others are awarded a certificate for each one completed. The girls who receive certificates this year are as follows:

### Dinner Party Given For Mrs. Kirkland With Many Gifts

Mrs. Jimmy Kirkland, who before her recent marriage, was Miss Jeanice Paul, was honored Monday evening, Jan. 23, at a dinner party given by Mrs. Fulton Spurlin, Miss Linda Spurlin, Mrs. Shirley Carpenter and Mrs. W. M. Ringdorf at the home of Mrs. Spurlin.

Arrangements of white carnations and silver wedding bells were used in decoration.

In addition to the honoree, guests were: Misses Martha Cooper, Patsy Mathis, Mary John Smith, Yvonne Bryan, Janet Warr, Polly Ann Clark, Cecelia Burkett, Ella Kate Allen and Mrs. Jerry Cogan.

Gifts of silver and linen were presented to the honoree by the hostesses.

### Kitchen Shower For Miss Spurlin Is Given

Mrs. E. M. Warr and Miss Janet Warr were hostesses at a kitchen shower Monday afternoon, Jan. 23, honoring Miss Linda Spurlin.

Coupons of pink carnations combined with small kitchen brushes were presented to the honoree and to her mother and

mother of the groom-elect, Mrs. Fulton Spurlin and Mrs. Ellis Brazelton as they arrived.

Pink carnations in artistic arrangements were used in decoration in the living room.

The refreshment table was centered with a pink kitchen sink filled with carnations of the same color, flanked at either end with tall pink candles in toy muffin tins.

The many gifts were placed in a wicker basket skirted with pink ruffles and holding a pink parasol.

Top kitchen utensils hung around the open parasol.

In addition to the honoree and Mrs. Spurlin, guests were: Misses Ella Kate Allen, Sandra Farria, Linda Crook, Martha Cooper, Henriette Dorsey, Patricia Ennis, Glenda Ennis, Kathy Anderson, Yvonne Bryan, Suzanne Hayes, Mary John Smith, Joan Brazelton, Peggy Whiting and Barbara Gilbert.

Cecelia Burkett, and Mrs. Kasper Anderson and Mrs. Al Sewell.

Mrs. Jimmy Kirkland, who before her recent marriage, was Miss Jeanice Paul, was complimented Tuesday evening, Jan. 24, when Mrs. J. R. Deal, Mrs. Baxter Bryan, Mrs. Harold Deal, Mrs. M. J. Lee, and Mrs. Jack Windham were hostesses at a seated tea shower given at the home of Mrs. J. R. Deal.

A color theme of pink and white was accentuated in the decorations and table appointments.

Mrs. E. L. Alford has returned to her home in Chipley, Fla., following several days visit to her sister, Miss Eunice Farria, Mrs. Bessie Braswell and Mrs. Sara Rainier.

Mr. and Mrs. M. J. Lee and Mr. and Mrs. Harold Deal visited Mr. and Mrs. Richard Norman in Ozark Saturday night.

YOU NEVER SAW THIS NEWSPAPER

Thrown into the gutter or a waste basket before it was read, did you? But waste baskets and gutters are constantly being filled with unopened, expensive direct advertising, sales ammunition shot into the air.

A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from "kiver to kiver". Then it is borrowed by the neighbors.

That's why intelligent, attractive newspaper advertising is accepted as the most effective form of advertising your business.

An advertisement in this paper will reach over 75 per cent of the buyers in the local trade territory. We do the mailing and pay the postage.
